DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114.
2. Applicant's amendment filed on 07-31-2007 has been entered. Claims 9, 10, and 16 are pending.

Allowable Subject Matter

3. Claims 9, 10 and 16 are allowed.
4. The following is an examiner's statement of reasons for allowance: Regarding claims 9, 10, and 16, Benedict et al. (US#5675876) discloses all of the limitations except for the pivoting of the shelf out of or away from the shell changing an orientation of the memorial surface of the shelf from downwardly facing to upwardly facing. Benedict teaches away from this change in orientation as the memorial surface of the shelf 30 is upwardly facing both before and after pivoting the shelf out of or away from the shell 12.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
